Ceremony Music

Set the perfect tone for the day with our ceremony music package. Just \$150 incl GST for 1.5 hours of music from when your guests start to arrive.

Canapé Music

While you're off getting photos, your guests can kick off the bar tab! Send us the vibes you're going for or leave it up to us, we'll get them ready for your big entrance.

MC Services

We're more than just DJs, we have the MC skills to match. With our Diamond & Sapphire Package the DJ doubles as the MC to ensure it all runs smoothly. This includes house rules, welcoming in the wedding party, speeches, bouquet toss, cake cutting plus anything else you need. And we won't get drunk and disappear after the first dance. We've seen it happen, all too often!

Subwoofer

Get the right sound for your dancefloor, it's perfect for 100+ guests or for those big party vibes straight after the first dance. Add to any package for \$160 incl GST.

Smoke/Haze Machine

Check with your venue first, but for the more 'clubber' vibes either a smoke or haze machine helps the lights do their thing.

Special Effect Lighting

We've done many themed weddings, so if you have something special in mind just let us know and we'll do our best to bring it to life.
